

National Curriculum Objectives – Maths

Year 2 Maths – Key Objectives

Count in steps of 2, 3 and 5 from 0, and in tens from any number, forward and backward

Recognise the place value of each digit in a two-digit number

Compare and order numbers from 0 up to 100; use $<$, $>$ and $=$ signs

Use place value and number facts to solve problems; recall and use addition and subtraction facts to 20 fluently, and derive and use related facts to 100

Add and subtract numbers using concrete objects, pictorial representations, and mentally

Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems

Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers

Calculate mathematical statements for multiplication and division within the multiplication tables

Recognise, find, and write fractions $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$ of a length, shape, set of objects or quantity

Write simple fractions for example, $\frac{1}{2}$ of 6 = 3 and recognise the equivalence of $\frac{2}{4}$ and $\frac{1}{2}$

Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value

Tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times

Identify and describe the properties of 2-D shapes, including the number of sides and line symmetry in a vertical line

Identify and describe the properties of 3-D shapes, including the number of edges, vertices and faces

Interpret and construct simple pictograms, tally charts, block diagrams and simple tables
