

Science

In term 1 we are studying Earth and Space where we will investigate the evidence there is to prove that the Earth is spherical and the positions of the planets within our solar system.

In term 2 we will study forces, where we will investigate practically the impact of different forces.

Computing

In computing, we will be looking at E-safety and what to do should anyone ever encounter something that makes them uncomfortable. We will also be using the iPads for research as well to find out what makes a strong password and how social media can create a false understanding of the world around them. The children will continue to use Microsoft Word and PowerPoint to present their learning.

Art & Design Technology

We will link our Art and Design Technology to the History topic of Ancient Egypt. We will investigate Ancient Egyptian Jewellery and their designs. Materials that were used during the time period for building and making weapons. Within Art we will use techniques such as watercolour painting, using charcoal and modelling with clay. We will also have a D&T focus, creating their own piece based on Ancient Egypt.

Year 5 Term 1 and 2 2022

Enquiry based Learning Project

In our first two terms, we're going to be focusing on History, English, Art and DT.

Our question for Terms 1 and 2 will be:

Who were the Ancient Egyptians?

We will be looking at, and recreating, lots of different areas of Ancient Egypt and even comparing this to Egypt today.

Music

In Music, we will explore the music of different composers and develop a response through art and poetry. We will be investigating different musical instruments, the parts to them and how they work.

History

Linking with our topic on Ancient Egypt, we will be investigating the following aspects of life in Ancient Egyptian times including: jobs, how they lived, the importance of the River Nile and Mummification.

Geography

Within our History topic we will focus on some Geographical skills such as locating countries and cities on a map and the human and physical features of Egypt both now and in the past.

PSHE

In our PSHE sessions, we will be discussing the following topic: Me and feelings and relationships. Within this topic we will look at understanding other people's feelings and the impact our actions can have on others.

PE

In PE, we will be focusing on invasion games including: kick rounders and ultimate Frisbee, as well as our sports award activities. We are focusing on working as a team. Indoor PE will be gymnastics.

Religious Education

We will be focussing on Christianity, thinking about why some people believe God exists, what would Jesus do and how we live by the values of Jesus in the 21st century.
