

Science

In Term 5 we will be studying living things classifying amphibians, birds, insects and mammals. This will involve research, a visit to our pond and woodland area and planting and growing plants from seeds. We are hoping to be able to visit the pond area twice with a month between visits to observe and record changes.

Computing

Further develop the use of software 'Scratch' and 'Kodu' to:

Control movement of a sprite, creating a 'land' on which the sprite will operate; and programming it to follow a range of instructions based on different variables.

Sharpen research and presentation skills.

Design Technology

Using 3D media, the children will be constructing small pyramids made from individual cardboard cubes. They will also be making canopic jars out of papier mache.

Religious Education

In Term 5 we will be looking at some of the ways in which Christians deal with bereavement. In Term 6 we will be looking at aspects of the Islamic faith.

Languages

Children will learn to develop spoken and written vocabulary in French, focussing on accurate pronunciation and intonation.

Year 5 Term 5 and 6 2018

Art and Design

We will be studying the art of the Ancient Egyptian period. Exploring art work on tombs and buildings. Understanding how stories were told through pictures. We will also be looking at Hieroglyphics writing our names and coding messages.

Geography

In Term 5 and 6 we are studying the Ancient Egyptians and as part of this study we will be undertaking map work and using Atlases.

History

The study of the Ancient Egyptians. Exploring their way of live looking at housing, clothing, rituals and society. Part of this study will include looking at similarities between then and now.

Music

Improvise and compose music for a range of purposes; use and understand musical notation. Sing and perform a wide range of pieces. Exploring and developing a personal response to Bach.

PE

Striking and fielding games – skills, rules, tactics and teamwork

Athletics – running, jumping and throwing – speed, skill and stamina

Swimming – target is to swim 25m
