

Science

In term 1 we are studying Earth and Space where we will look at and investigate the evidence there is to prove that the Earth is spherical and the positions of the planets within our solar system. In term 2 we will study forces, where we will investigate practically the impact of different forces.

Computing

In computing, we will be looking at E-safety and what to do should anyone ever encounter something that makes them uncomfortable. We will also be using the iPads for research as well as Scratch animation for formulating simple algorithms. The children will continue to use Microsoft Word and PowerPoint to present their learning. We will also be improving our skills using Microsoft Teams.

Art and Design Technology

We will link our Art and Design Technology to the History topic of Ancient Egypt. We will investigate Ancient Egyptian Jewellery and their designs. Materials that were used during the time period for building and making weapons. Within Art we will use techniques such as watercolour painting, using charcoal and modelling with clay.

Religious Education

We will be focussing on Christianity, thinking about why some people believe God exists, what Jesus did and how we live by the values of Jesus in the 21st century?

Languages

The children will be developing spoken and written understanding in French with a focus on accurate pronunciation and intonation.

Year 5 Terms 1 and 2 2021

PSHE

In our PSHE sessions, we will be discussing the following topics:

- Me and feelings and relationships.
- Me and medicines and drugs including alcohol and cigarettes

Geography

Within our History topic we will focus on some Geographical skills such as locating countries and cities on a map and the human and physical features of Egypt both now and in the past.

History

Linking with our topic on Ancient Egypt, we will be investigating the following aspects of life in Ancient Egyptian times including: jobs, how they lived, the importance of the River Nile and Mummification.

Music

In Music, we will explore the music of different composers and develop a response through art and poetry. We will be investigating different musical instruments, the parts to them and how they work.

PE

In PE, we will be focusing on invasion games including: kick rounders and ultimate Frisbee, as well as our sports award activities. We are focusing on working as a team. Indoor PE will be gymnastics.
