

Science

In term 5, the children will be furthering their knowledge and understanding of circulation and the human body.

In Term 6, the children will begin studying the different methods of classification of plants and animals. This work will include a study of the life and work of Carl Linneaus.

Computing

The children will be developing their understanding of control and programming technology through Lego mindstorms. They will also be extending their knowledge of Microsoft Excel, Publisher and Word. Throughout the year the children will be reminded of the rules of internet safety, and their responsibility to act in a thoughtful and secure manner.

Design Technology

Our Design Technology topic will be based on our end of year musical. The children will be designing and making a variety of props and costumes to be used in our production.

Religious Education

The children will be studying Sikhism based on the Kent R. E. Syllabus. They will have the opportunity to research facts and history about Sikhism and learn about key figures within the faith.

Languages

The children will be broadening their French vocabulary this year. They will also develop their ability to understand new words.

Year 6 Term 5 and 6 2018

Art and Design

We will link our artwork to the Ancient Greece topic, focussing on Ancient Greek patterns, pottery and landscapes. The children will create their own Greek vase and decorate in an appropriate style.

Geography

The children will be locating the world's countries, as well as their key human characteristics, using maps and atlases.

History

The children will be given the opportunity to extend their chronological knowledge by studying Ancient Greece. The children will learn about a wide range of aspects of this time period including daily life and religion.

Music

The children will be learning and performing songs from our end of year musical along with continuing to learn about famous composers.

PE

The children will be taking part in Danish Longball, basketball and athletics. There will be opportunity for competitive games and the children will be able to compare their performances to previous ones. We will also be linking our dance lessons to the war with Troy.
