

Science – Properties of materials.

We are going to be thinking about materials this term! Let's see how much you know already!
(If you find writing hard, it's okay to talk about these things and ask mum or dad to write them for you instead)

How many materials can you think of?
Write them here!

Write a reason why we shouldn't use these materials for a window.

chocolate

Paper

bricks

Go on a material hunt around your home. Take a picture, write or draw a picture of something made of a material that has these properties.

Write as many as you can.

Soft

Light

Bumpy

Heavy

Hard

Rough

Science – Properties of materials.

Stretchy		Smooth	
Shiny		Waterproof	
Bendy		Squashy	
Transparent		Opaque
